

WELCOME TO THE BABY ROOM

Our Infant Room offers a sizable, well-equipped environment in which your baby, fully content and secured, will discover, explore, and flourish. Your baby will receive highly-skilled, personal, and loving care in which to grow and thrive.

Below are some helpful guidelines to make your baby's transition from his/her home to "our" home as smooth as possible.

In order to ensure your baby's well-being, please provide the daily supplies needed and be sure to label everything with your baby's name and last name, bring your child to school cleaned, is not allowed to leave your child in the car seat and for 12months old and up our breakfast is between 7:30 to 8:30 am lunch is between 10:30 to 11:30 am and snack is between 3:00-3:30 pm. After these hours the child must be fed before arriving at school. Drop after 9:30 am is not allowed.

Your baby must be kept at home if there is a sign of illness. In order for us to administer prescription medication, medicine must be in the original container and an HRS (5013) MEDICATION FORM must be filled out by the legal guardian or parent. **Over-the-counter medicine will be administered only with the previous parent's authorization.** We are authorized to give just one nebulization per day, no more than the amount mentioned above. Please remember that parents are welcome to come to school and provide the treatment that the child needs.

As you know, tuition provides care during the hours of 7:30 am to 5:30 pm. Please note that there is a \$1.00 PER MINUTE charge after 5:30 pm. This is paid directly to the caregiver that has remained with your baby.
